Volunteers are always needed to help at our reunions. If you are interested please fill in the volunteer section on the registration form. Thank you in advance for volunteering, we are always really appreciative of everyone's help.

Our raffle this year will be on Saturday morning. If you would like to bring any items to the reunion for the raffle, please keep them in your room. We will announce when and where the items should be brought. We are always thankful for all the donations.

At this year's Association Business Meeting we will be having elections by ballot for three board positions; Vice President currently held by Ralph Clark, Secretary currently held by Bill Coughlin, and General Director(1) currently held by Doug Corrao. Anyone interested in running for one of these positions, must submit your name to the Secretary at least 30 days prior to the reunion. You may nominate someone else for a position, but that person will need to contact the secretary to confirm that they are interested in holding the position. The cut-off date for nominations is July 11, 2010.
