

Bennington Area Chamber of Commerce.

Here is more good news !

Last week we received the Official word, The USS Bennington Association will be holding their 2010 Reunion in Bennington.

The USS Bennington Group has a very close relationship with us.

Local Attorney Justine Scanlon helped them incorporate in Bennington.

The large oil painting of the aircraft carrier is in our Town Office.

They helped and traveled on the 2007 US Capitol Christmas Tree Project.

They hold Annual Memorial Services at their ship's bell on our Town Hall lawn

They plan to participate in the Battle Day Parade.

They need a hotel of 300 rooms under one roof so they will stay in Albany but be here on day trips with their wives to revisit their "Hometown" of bennington.

We are looking forward to helping them put together a great reunion !

Joann Erenhouse

Executive Director,

Bennington Area Chamber of Commerce.
